1 place – 1 Bitcoin.

2-5 – Alphabet (Google) share token.

6-10 – Tesla or Apple share token

11-1000 – random share token worth \$10 to \$ 500.

Terms and Conditions

Prizes are awarded to participants, who occupy from 1 to 1000 places in a queue, formed according to the rules and guidelines as of 23.59.59, December 31, 2019 (UTC+3 Minsk time).

The place in a queue is determined based on the number of points received by the participant.

You can get additional points under the following conditions:

- Register within the giveaway period – 10 points
- Get verified on the platform – 90 points
- Login with a VERIFIED status (if you have already registered on the platform) – 100 points
- If your referral gets verified – 50 points
- If your verified referral places a first leveraged trade – 500 points
- For each \$10 of commission paid by you or your referral – 100 points

Users who have registered in the platform before the start of the giveaway receive 0 points at the start and their place in the queue is determined according to the size of commission paid for the period of the platform use till the start of the giveaway.

Scoring and changing the order in the queue occurs in real time. In case of equal points, the priority is given to the participant who registered on the platform earlier (for participants registered during the giveaway). In the case of users who registered

before the giveaway, it depends on the size of the commission paid for the period of use of the platform before the start of the giveaway.

Participants who have not verified their accounts before the end of the giveaway lose the right to receive prizes. They are excluded from the number of participants of the giveaway who have the right to receive a prize.

Other conditions

Clients participate in the giveaway at their own request and discretion.

For the purposes of this giveaway, a “prize” is understood as transferring to a client free of charge and non-refundable ownership of tokens in accordance with the Terms and Conditions of the cryptoplatform (trading platform), other software and the website.

The organiser has the right to prematurely terminate (complete) the giveaway or change its conditions unilaterally. The Organiser’s decision on the early termination (completion) of the giveaway does not apply to participants who have fulfilled its conditions prior to the early completion of the giveaway.

The organiser has the right to extend the duration of the giveaway at its sole discretion and for any period of time.

The participant must comply with the terms of the giveaway, use the rights granted to him to participate in the giveaway in good faith and reasonably, based on the objectives of the giveaway and not violate its terms and the right to participate in it. In case of violation of the conditions of the giveaway, the Organiser has the right to disqualify a participant by excluding him from the participants of the giveaway.

Violation of the terms of the giveaway presupposes client’s actions, which according to the Organiser contradict with the purpose of the giveaway and entail the receipt by the Client of unreasonable benefits, including those based on technical and/or organisational features and/or conditions of the competition.

The price (cost) of tokens (including for the purpose of expressing the price (cost) of some tokens in the price (cost) of other tokens) is determined by the Organiser at its own discretion.

In case if a participant was unreasonably granted or not granted points, as a result of technical problems, the Organiser has the right to make appropriate adjustments.

If, in accordance with the legislation, the Organiser is obliged to withhold under these terms and conditions the income or another tax from individuals in connection with receipt of the income from this giveaway, and to transfer it to the budget, the relevant income is transferred to the Client minus the specified tax.
